The distributor's employee must then provide you with a copy of the fact sheet.

Please note that definitions are provided on pages 12 and 13 for all words that appear in *italics* in this guide.

2. DESCRIPTION OF THE INSURANCE OFFERED

A. Nature of coverage

Our group credit insurance aims to provide you with financial security to help you meet the contractual obligations created as a result of the financing of your automobile. The goal is to provide you with insurance that will reimburse the unpaid balance, or part of the unpaid balance, of your *loan* in case of death or *total disability*. You do not have to be covered under this insurance to obtain a *loan*.

You can choose from the following coverage options:

1. a Life Insurance, which covers your *loan* payments in the event of your death, according to the options you selected and the applicable terms and conditions (you have to choose a life insurance for:
 - all cause death; or
 - accidental death).
2. a Disability Insurance, which covers the payment of your monthly *loan* amount if you become *totally disabled*, according to the options you selected and the applicable terms and conditions (you have to choose between a disability insurance that covers you for:
 - 6 months;
 - accidental disability only; or
 - *accident* and *sickness* disability).

All the applicable terms and conditions are described in the following pages.

B. Summary of specific conditions

Eligibility Requirements

To be eligible for coverage under this automobile credit insurance, you must:

- be at least 17 years of age;
- be under 73 years of age for life insurance (accidental death), under 70 years of age for life insurance (all cause death) and under 65 years of age for disability insurance;
- have contracted a *loan* from the *creditor*;
- never have had or never have been treated for AIDS or any AIDS related illness, and never have tested positive for HIV;
- for disability insurance, be a salaried employee, a self employed individual or a seasonal employee and meet the specific requirements specified below.

To be eligible for disability insurance:

- a salaried employee must be working a minimum of 22.5 hours a week for wages or profit, for a minimum of 30 weeks per year;
- a self employed worker or business owner must be working actively and regularly no less than 27 hours a week – with a regular income – and have been in the same business or profession for 12 months prior to the issuance of the insurance. In addition, in the last fiscal year, the person must have earned a minimum of \$17,000, including salary, dividends from his business and other work-related independent revenue;
- a seasonal employee must, for at least the last 2 years, have held a seasonal job more than 8 weeks but less than 30 weeks per year, and must have worked, in the last 12 months, the minimum number of hours required by the Canada Employment Insurance Commission for his region of residence and have made contributions to the Employment Insurance account.

Amount and term of coverage

For life insurance (all cause death or accidental death)

The amount of the benefit will be the lesser of:

- in the case of a *loan* agreement, the *loan* balance on the day the *insured* dies;
- in the case of a lease agreement, the present value of the outstanding lease payments, including the residual value if this amount is covered as stated in the application form;
- the maximum insured amount.

The maximum insured amount is \$75,000. If the *insured* can, at his own expense, provide medical evidence at issuance and the *insurer* accepts this medical evidence, the insured amount may reach \$150,000.

For disability insurance (6 months, *accident only*, *accident* and *sickness*)

The amount of the benefit will be the lesser of:

- the monthly payment payable under the *loan*, lease or buyback *loan* agreement;
- the maximum insured amount.

The maximum insured amount is \$1,500 (\$750 for eligible seasonal workers) per monthly payment. However, the amount can be increased to \$2,500 (except for eligible seasonal workers) on request, provided acceptable medical evidence, at the *insured's* expense, is accepted by the *insurer* and provided life insurance coverage has also been taken.

If you have chosen the option “6 months”, a maximum of 6 monthly payments will be made for a same cause of *total disability*.

In all cases, the *insurer* will make a maximum of 84 monthly payments to the *creditor*.

Beneficiary of the insurance

The *beneficiary* of this insurance is your *creditor*. Therefore, insurance benefits are payable directly to the *creditor* to reduce or pay off your *loan*.

Payment of the insurance premium

The premium is payable in a single payment and covers you during the term of your insurance. If you choose to finance the premium, it will be added to your *loan* and, therefore, included in your monthly payment. The premium is calculated based on the monthly payment of your *loan* and insurance options selected.

Insurance duration

Subject to the terms and conditions described in section **D. Termination of insurance coverage**, you are insured until the expiry date indicated on the application for insurance. Your insurance will terminate on this date even if your *loan* is not paid off. You can never select a term that would exceed the duration of your *loan* nor one that would expire after the maximum age of 72 in the case of life insurance and the maximum age of 64 in the case of *total disability* insurance.

Effective date of the insurance contract

The effective date of your insurance is the later of the following dates:

- the date shown on the application form;
- the date indicated on the *loan* or lease agreement.

It is important to note that the insurance will only take effect if you meet the eligibility requirements and if you pay the required premium. The amount of this premium is indicated on the application for insurance form.

Waiting period in case of a claim

For life insurance

There is no *waiting period* for the payment of a Life Insurance benefit. The *insurer* will pay the benefit amount to the *creditor* upon receipt of a satisfactory proof of death of the *insured*.

For disability insurance

The benefit payments will begin at the end of period called the *waiting period*. The *waiting period* begins at the onset of *total disability* and continues for the period indicated on the application for insurance. The period of benefit payments will begin according to the option you have chosen:

- if you choose the “30 days (non-retroactive)” option, the “60 days (non-retroactive)” option or the “90 days (non-retroactive)” option, the period of benefit payments begins at the end of the *waiting period*;
- if you choose the “30 days (retroactive)” option, the period of benefit payments begins retroactive to the day you become *totally disabled*, provided you have satisfied the *waiting period*.

During the *waiting period*, you are responsible for making monthly *loan* payments when they are due.

Termination of *Total Disability Benefit Period*

The benefit period for an *insured* ends on the earliest of the following dates:

- a. the date on which the insurance is cancelled (see section **D. Termination of insurance coverage**);
- b. the date the *insurer* has made 84 monthly benefit payments to the *creditor*;
- c. the date on which the *insured* ceases to provide written proof that he is still *totally disabled*;
- d. the date on which the *insured* refuses to be examined by a *physician* chosen by the *insurer*;
- e. the date on which the *insured* is no longer *totally disabled*;
- f. the date on which the *insured* has resumed actively working for wages or profit;
- g. the date on which the *insured* retires and receives a pension amount.

Medical evidence

Any *borrower* or *co-borrower* applying for an amount of insurance that is greater than the amount indicated on the certificate under the heading “**MAXIMUM INSURED AMOUNT**” is required to provide medical evidence to the *insurer* and complete a health questionnaire. If he answers “Yes” to any of the health questions on the health questionnaire, his application for insurance will be underwritten.

In this case, the *administrator* will contact him/her in order to obtain additional medical information. If necessary the *administrator* may ask him/her to undergo a medical examination or other types of examinations at his own expense.

If the application for insurance is approved, the *administrator* will send a *Confirmation of Insurance* by regular mail within 30 days of receiving the required information.

Proof of insurance

If your application for insurance is accepted, you will receive a letter within 30 days after signing the application for insurance confirming that you are insured.

Renewal of insurance

Once the insurance period has expired, it cannot be renewed.

CAUTION

C. Exclusions, limitations and reductions

Exclusions applicable to all insurance

No benefit is payable if death, *total disability* results directly or indirectly from:

1. a pre-existing condition* (the effect of this exclusion is no longer applicable to an *insured* once his coverage has been in force for a period of 12 months or more; however this exclusion applies for the whole duration of the insurance if the *insured* is *totally disabled* at issuance of the insurance);
2. the *insured's* service, whether as a combatant or non-combatant, in the armed forces of any country.

*Pre-existing condition:

Any physical or medical condition, illness or *disease* suffered by an *insured* for which the person received *medical advice* within the 12-month period prior to the effective date of the coverage.

Exclusions applicable to life insurance (all cause death or accidental death)

No benefit is payable if death results directly or indirectly from:

1. suicide, whether or not the *insured* was sane or insane, during the 2-year period immediately following the effective date of the insurance;
2. war, any act of war, whether war be declared or not, insurrection or a criminal act or attempted criminal act by the *insured*;
3. the operation of an aircraft, watercraft or land vehicle, while the *insured's* blood alcohol level exceeds the legal limit or while he is under the influence of narcotics.

Exclusions applicable to disability insurance (6 months, *accident* and *sickness, accident only*)

No benefit is payable for a *total disability* resulting directly or indirectly from:

1. self-inflicted *injury* or attempted suicide, whether the *insured* is sane or insane;
2. war, any act of war, whether war be declared or not, insurrection or a criminal act or attempted criminal act by the *insured*;
3. the operation of an aircraft, watercraft or land vehicle, while the *insured's* blood alcohol level exceeds the legal limit or while he is under the influence of narcotics;
4. alcoholism, drug use or medication abuse, other than as prescribed and administered by or in accordance with the instruction of a *physician*;
5. birth defects, organ donation, plastic or elective surgery, uncomplicated pregnancy, child birth or abortion.

Limitations and restrictions applicable to all insurance

1. If the *borrower* and *co-borrower* are both insured and die simultaneously, only one death benefit will be paid. Similarly, if the *borrower* and *co-borrower* are both insured and are *totally disabled* at the same time, each will be assessed separately but the total benefit payable will at no time exceed the insured amount.
2. Late monthly payments, accrued interest thereon, as well as financing charges are not covered under the insurance.

Restriction applicable to life insurance

A death will be considered accidental only if it occurs within 90 days of the *accident*.

Limitations and restrictions applicable to disability insurance

1. The balance due at the end of a leasing contract is not covered.
2. No benefit is payable for any period of time when the *insured* is not in Canada or in the United States of America.

D. Termination of insurance coverage

Insurance will automatically terminate on the earliest of the following dates:

- the date the *loan* is fully paid off;
- the date the collateral property is sold, repossessed or a court judgement is rendered in connection with such collateral property;
- the date the *loan*, lease or buyback *loan* agreement is terminated, cancelled, amended or renegotiated;
- the expiry date shown on the insurance application;
- the day the *insured* or either of the insureds die;
- in the case of life insurance, the day the *insured* turns 73;
- in the case of *total disability* insurance, the day the *insured* turns 65;
- the date a request for cancellation is received from the *insured*;
- the date on which a 15-year period from the effective date of the insurance has elapsed.

All claims submitted for an event that occurred before the termination of this insurance coverage will be dealt with in accordance with the terms of this insurance even if the claim is submitted after the coverage has terminated.

E. Cancellation of insurance

You can cancel your insurance at any time by sending a written notice to the *administrator* at the following fax number: 819-373-3177. You can also contact your car dealer or the *administrator* by calling 1-877-451-3888. Please note that if you cancel your insurance, the *insurer* is no longer responsible for any benefit payments, but your *loan* contract remains in effect.

If you cancel your insurance, a premium may be refunded. The payment, if any, will be made to your *creditor*, unless the *insurer* receives satisfactory proof that your *loan* has been paid off.

The premium is totally refunded if:

- your application for insurance is declined by the *insurer*;
- you are not eligible for the insurance;
- you choose to cancel the insurance within 20 days after the effective date of the insurance.

In all other cases, the amount of premium is refunded according to the following:

- based on the Rule of 78 formula. However, a pro-rata refund is calculated for the following creditors:
 - ◇ Ford Credit Canada;
 - ◇ Lincoln Automotive Financial Services;
 - ◇ Volkswagen Credit Canada;
 - ◇ Toyota Credit Canada;
 - ◇ Financial Services Nissan Canada;
 - ◇ Honda Canada Finance;
 - ◇ Credit Linx.
- cancellation fees (specified on your insurance certificate) will be deducted from the refundable amount. However, no cancellation fees are deducted for the following creditors:
 - ◇ Ford Credit Canada;
 - ◇ Lincoln Automotive Financial Services;
 - ◇ Volkswagen Credit Canada;
 - ◇ Toyota Credit Canada;
 - ◇ Financial Services Nissan Canada;
 - ◇ Honda Canada Finance;
 - ◇ Credit Linx.
- all benefit payments made will be deducted from the refundable amount. However, no benefit payment is deducted from the refundable amount for the following creditors:
 - ◇ Ford Credit Canada;
 - ◇ Lincoln Automotive Financial Services;
 - ◇ Volkswagen Credit Canada;
 - ◇ Toyota Credit Canada;
 - ◇ Financial Services Nissan Canada;
 - ◇ Honda Canada Finance;
 - ◇ Credit Linx.

- amounts of less than \$5 will not be refunded;
- the policy fee is not refundable.

If your insurance terminates on the date the security for the Loan is repossessed, is sold or becomes the subject of a court judgement and your creditor is Ford Credit, Pro-rata refunds will be issued and total claims paid under this insurance as well as the applicable cancellation fee will not be deducted from the premium credit.

The Rule of 78 formula is a formula by which the refundable premium is calculated based on a fraction using a numerator (N) and a denominator (D) that both depend on the actual and planned duration of the insurance contract: $N \times (N + 1) / D \times (D + 1)$, where N = number of months remaining and D = total number of months scheduled in the insurance contract.

Example of a calculation using the rule of 78 formula:

The term of your insurance contract is 60 months, but you choose to cancel your contract after 10 months. You paid a premium of \$350, including policy fees of \$50. Therefore, N = 50 and D = 60 and the calculation is the following: $\frac{50 \times (50 + 1)}{60 \times (60 + 1)} = 0.6967$.

We will reimburse you $(\$350 - \$50) \times 0.6967 = \$209.01$, less the cancellation fees.

The pro-rata refund method is a formula by which the refundable premium is calculated based on the time that has elapsed since the beginning of the insurance. The premium paid is multiplied by the following fraction: N/D, where N = number of months remaining and D = total number of months scheduled in the insurance contract.

Example of a calculation using the pro-rata refund method:

The term of your insurance contract is 60 months, but you choose to cancel your contract after 10 months. You paid a premium of \$350, including policy fees of \$50. Therefore, N = 50 and D = 60 and the calculation is the following: $\frac{50}{60} = 0.8333$.

We will reimburse you $(\$350 - \$50) \times 0.8333 = \$249.99$.

Required documents

To rescind your insurance, you can use the "Notice of Rescission of an Insurance Contract" available in the appendixes section of this Distribution Guide.

The notice requesting the cancellation of insurance must be dated and signed by the *borrower* and the *co-borrower*, if any, of the insurance.
