# High Yield Account

A true high yield savings account

The High Yield Account is an investment vehicle offered as a complement to our SSQ Guaranteed Investment Funds (GIFs) and Guaranteed Interest Accounts (GIAs).

## Who is this product for?

It is designed to meet specific investment needs.

- The High Yield Account offers a great savings option for your future projects, perhaps a long-awaited trip or other family projects.
- It is an interesting financial vehicle that can be used to create a “safety cushion” to weather out unexpected storms.
- It is an ideal way to diversify your portfolio and procure liquid assets.
- If you are looking for stability in your investment income and cannot afford fluctuations in your capital, then this product is right for you.

The interest rate is annualized. SSQ, Life Insurance Company Inc. reserves the right to change the interest rate without prior notice. Any interest earned is automatically reinvested.

Payment of interest earned is not an option offered. The High Yield Account is protected by Assuris according to the coverage described at [www.assuris.ca](http://www.assuris.ca). The High Yield Account is a daily interest account. For details concerning the provisions of this financial product and annuity contracts, please refer to the Information Folder and Contract.

## A true high yield savings account

The High Yield Account offers advantages similar to those of a traditional bank account, but ensures a substantially higher rate of return.

An ideal way to save for special projects or to help protect you from unexpected events!
