Any amounts payable under this Certificate will be paid to the Creditor, or Financial Institution if named, to reduce your financial obligation under the Financed Amount. Your Certificate is not assignable.

Your insurance will terminate on the earliest of the following dates:

1. The date SSQ mails a written notification to you that your application for insurance is declined;
2. The date the Loan is rewritten, refinanced, called due by the Creditor, or is otherwise discharged (SSQ reserves the right not to terminate this insurance for minor modifications if it accepts them beforehand);

Premium Refund

If your insurance terminates before the end of the period you selected, a premium refund may be payable in accordance with the following provisions:

- a) if your application is declined, or you are determined to have been ineligible for coverage on the date insurance begins, or if your insurance terminates within 20 days after the Date Insurance Begins, the entire insurance premium will be refunded;
- b) if your insurance terminates for any reason other than those outlined in a) of this provision, SSQ will calculate a premium refund provided that your Certificate of Insurance and your written request for a refund are received by SSQ within 30 days of termination; otherwise, the date of receipt shall be the date used to determine the refund (a premium credit will be calculated using a formula known as “the Rule of 78”, a cancellation fee of \$75 will be deducted from the premium credit and the balance, if in excess of \$5.00, will be refunded - the cancellation fee will be charged only once per Certificate). If your creditor is on the list indicated on the “Request for Insurance Refund/Cancellation” form of this document, Pro-rata refunds will be issued and no cancellation fee will be deducted from the premium credit. If your insurance terminates on the date the security for the Loan is repossessed, is sold or becomes the subject of a court judgement and your creditor is Ford Credit, Pro-rata refunds will be issued, and no cancellation fee will be deducted from the premium credit.
- c) if your insurance terminates and a Disability Benefit has previously been paid, SSQ will calculate a Premium Refund using a formula known as “the Rule of 78” (total claims paid under this Insurance as well as a cancellation fee of \$75 will be deducted from the premium credit and the balance, if in excess of \$5.00, will be refunded). If your creditor is on the list indicated on the “Request for Insurance Refund/Cancellation” form of this document, Pro-rata refunds will be issued and no cancellation fee will be deducted from the premium credit. If your insurance terminates on the date the security for the Loan is repossessed, is sold or becomes the subject of a court judgement and your creditor is Ford Credit, Pro-rata refunds will be issued and total claims paid under this insurance as well as the applicable cancellation fee will not be deducted from the premium credit.

If SSQ receives proof from the Creditor that the Loan has been paid off, the premium refund will be paid directly to you, otherwise the premium refund will be paid to the Creditor to be applied to reduce or pay off your Loan.

Cancellation Right

You have 20 days after you sign this Certificate to decide if you still want the coverage. If you do not, return the Certificate to SSQ Head Office or to the Creditor through whom you obtained it. We will cancel your coverage from the Date Insurance Begins and will refund any premium paid jointly to you and/or to the Financial Institution named in the Certificate.

How to Claim a Benefit

You may obtain an SSQ claim form by calling the Toll-Free Number 1-877-373-7717. The form and documents supporting the claim must be completed and returned to SSQ, in the case of a Death claim, within one year after the date of death; or in the case of a Disability claim, within 90 days after Total Disability commenced, or in the case of an Accidental Dismemberment claim, within one year after the date of the loss. Failure to file initial proof of claim within the time specified or to provide continuing proof of claim when requested by SSQ may result in benefits not being paid.

File and Personal Information

In order to maintain the confidentiality of information concerning the persons it insures, SSQ opens an insurance file to hold personal information about the application for insurance and any insurance claims made. With the exception of certain cases provided for other applicable legislation, access to insured persons’ files is restricted to those employees, legal agents and services providers who must consult these files for the purpose of contract management, inquiries or underwriting, in addition to any other person you may authorize. SSQ keeps these insurance files in its offices. All persons insured with SSQ have the right to consult the information contained in their file and, if necessary, to have any errors and inaccuracies corrected, free of charge, by making written request to the attention of SSQ’s Personal Information Protection Officer at the following address: 2525 Laurier Boulevard, P.O. Box 10500, Station Sainte-Foy, Quebec QC G1V 4H6. However, SSQ may charge fees for transcribing, reproducing or sending this information. The person making the request for information will be informed beforehand of the approximate amount that will be charged.

SECTION 2 Life Insurance

SSQ will pay a Death Benefit to the Creditor upon receipt of satisfactory proof that the death occurred while the insurance was in force and did not result from one or more of the Exclusions (refer to Section 1).

The amount of the Death Benefit will be the lesser of:

1. Your Loan balance at the date of death, including the insurance premium, as calculated by the Creditor or the Financial Institution, less any payments in arrears;
2. In the case of a lease, the present value of your outstanding lease payments including the insurance premium and any Residual Value stated in your Application for Insurance provided the appropriate premium has been paid; or
3. The Maximum Amount of the Insurance.

Restrictions: Where the Debtor and Co-Debtor are both insured with respect to the same Loan, no more than one Death Benefit is payable. In no event will the Death Benefit cover the Loan payments in arrears or any accrued interest thereon.

SECTION 3 Disability Insurance

Total Disability

1. During the first 12 months of total disability: A disability caused by an accident or illness that renders you totally incapable of carrying out the main duties of your usual employment.
2. Thereafter: A disability caused by an accident or illness that renders you totally incapable of pursuing any gainful occupation for which you are reasonably suited by education, training or experience, regardless of the availability of employment.

Waiting Period

The number of consecutive days following the date your Total Disability commenced and before Monthly Benefits become payable, as indicated on the front of this form. The Waiting Period is waived for periods of Recurring Total Disability.

Recurring Total Disability

Successive periods of at least 7 consecutive days of total disability which are:

1. due to the same causes and separated by less than 21 days during which you returned to work on a minimum daily schedule equivalent to your pre-disability work schedule or were able to do so; or
2. due to entirely different causes and separated by less than one full day during which you return to work.

Benefit

SSQ will pay a Monthly Benefit to the Creditor upon receipt of satisfactory proof if:

1. You are Totally Disabled as defined in this Certificate;
2. Your Total Disability began while your Disability Insurance was in force and continued throughout the Waiting Period;
3. Your Total Disability did not result from one or more of the Exclusions (Refer to Section 1); and
4. SSQ receives satisfactory proof of claim within the 90 days following the onset of Total Disability.

For each full month that falls within the Benefit Period, the amount payable will be the lesser of:

1. The Monthly Amount, including the insurance premium, shown in your Application for Insurance;
2. The scheduled monthly amount due and payable to the Creditor but excluding any Balloon Amount or any payments of Residual Value; or
3. The Maximum Amount of the Insurance.

Any benefit payment that covers a period of less than 30 days will be made at a daily rate of one-thirtieth of the Monthly Benefit.

Restrictions: Where Joint Disability Insurance is in force, any Monthly Benefits payable will not exceed the scheduled monthly amount due and payable to the Creditor. Benefit payments to your Creditor are made monthly for each Loan payment in arrears or any accrued interest thereon.

The Benefit Period

1. For a retroactive waiting period, provided you have satisfied the Waiting Period and continue to be Totally Disabled, the Benefit Period begins on the date you became Totally Disabled and continues until the date your Total Disability ceases.
2. For a non-retroactive waiting period, the Benefit Period begins on the date following the end of the Waiting Period and continues until the date your Total Disability ceases.

Termination of the Benefit Period

Notwithstanding the above, your Total Disability benefits will cease on the earliest of the following dates:

1. The date on which all scheduled Loan payments have been made excluding any arrears and any accrued interest thereon;
2. The date SSQ asks for proof that you are still Totally Disabled and such proof is not provided within 31 days;
3. The date SSQ asks you to be examined by a Physician or other practitioner named by SSQ and you do not submit to such an examination;
4. The date SSQ receives a written request by you that your Insurance be cancelled;
5. The date the maximum number of Monthly Benefit Payments indicated in your Application for Insurance have been made;
6. The date on which you are no longer considered Totally Disabled;
7. The date on which you have resumed actively working for wages or profit.

SECTION 4 Accidental Dismemberment Insurance

If you have selected the Life Insurance benefit, SSQ will also pay a benefit to the Creditor or to the Financial Institution upon receipt of proof satisfactory to SSQ that you have suffered a loss as outlined in this Section and that such loss:

1. Resulted from an injury and was independent of any other causes; and
2. Occurred within 365 days of the Injury and while your Accidental Dismemberment Insurance was in force; and
3. Did not result from an Exclusions; and
4. Did not result in your death.

Loss	Benefit
Both Hands or Both Feet	The Principal Sum
Sight of Both Eyes	The Principal Sum

Loss of Hand means complete severance at or above the wrist.

Loss of Foot means complete severance at or above the ankle joint.

Loss of Sight means total, irrecoverable, entire loss of sight in both eyes.

Principal Sum means the lesser of:

1. Your Loan Balance, including all insurance premium, at the date the Loss occurred as advised by the Creditor, less any payments in arrears and any accrued interest thereon;
2. In the case of a lease, the present value of your outstanding lease payments including the insurance premium and any Residual Value stated in your Application for Insurance provided the appropriate premium has been paid; or
3. The Maximum Amount of the Insurance.

Restrictions: If you sustain more than one Loss as a result of any one injury, the maximum payable for such Losses will be the Principal Sum. Where the Debtor and Co-Debtor are both insured with respect to the same Loan, the Principal Sum is only payable once. In no event will the Accidental Dismemberment Benefit cover the Loan payments in arrears or any accrued interest thereon.
