2. Request to Change Guarantee Option

The guarantee option currently applicable under your contract is indicated in your Statement of Investments.

Changes to the contract guarantee option are permitted once per 12-month period.

The guarantee of the Equity GIA and the Beneva Guaranteed Income product cannot be changed.

I wish to change the guarantee option of my entire contract for one of the following:

- Standard option 75%-100%* Premium option 100%-100%+*
 Basic 75%-75%** Enhanced 75%-100%** Optimal 100%-100%**

Changes from the Basic, enhanced and optimal guarantees toward the standard or premium guarantees **are not permitted**.

This guarantee change will reset the guarantee at maturity and at death for all investments in my contract to the market value in force at the time of the change multiplied by the applicable percentage (whether this result is higher or lower than the guaranteed value).

* Maturity remains set at the annuitant's age 65 or, if less than 10 years remain before maturity, it will be set at 10 years from the date of the change.

** The maturity date shall be set according to the provisions contained in the *Information Folder and Contract*.

** The provisions of the guarantee in force as of November 26, 2012, will apply to my entire contract.

3. Authorization

I authorize Beneva Inc. to change the guarantee option as requested above.

I understand that while a new application number will be attributed, all the information about my contract will remain unchanged, except for the guarantee option.
